DIRECTIONS:

From Bendemeer or Armidale: on the New England HWY just at the bottom of the Moonbi range there is a big sweeping bend to the left before you come into the Moonbi village (you will see ANDROMEDA Rubber Belting on your left).

- TURN RIGHT INTO CHARLES ST. It is very hard to see the street name from the HWY but it is just after ANDROMEDA Rubber Belting and before the Mechanics shop (Dunn's Truck Recovery) post office and general store on your right.
- TURN RIGHT IMMEDIATELY INTO GILL STREET.
- GILL ST BECOMES GAOL CREEK RD- go 4 km and we are the last property on the left at the end of the bitumen #413. The front entrance is post and rail and you'll see a big shed on the hill. If you go past our gate way reverse back as it is very hard to turn around with a float at the end of our road.

From Tamworth:

Follow signs to Armidale. The Oxley Hwy becomes the New England Hwy. On the New England HWY go past the Moonbi store and post office on your left.

- TURN LEFT INTO CHARLES ST
- TURN IMMEDIATELY RIGHT INTO GILL ST (Runs parallel to the HWY and goes past the showground) and then follow the above directions from Gill St on.

Camping is available on the property with toilet, shower and kitchen facilities. However not recommended for the winter months. (\$10 per night)
